

A Day in the Life A Willow...

Arrival

Place backpacks and lunch in cubby

Willows wash hands

Hang up coats

Free Play

...and then find their own bin of toys and begin in open ended play alongside friends

Willows respond to the Question of the Day...

A Willow rings the bell to indicate clean up

Sensory Activities

We incorporate sensory activities into our free play time for hands on exploration!
Each child has their very own sensory bin to enjoy

Morning Meeting

We talk about our daily schedule, curriculum unit, the letter of the week, our Willow jobs, and sing good morning to each of our friends!

Music

Willows dance and follow along with Ms. Samantha twice a week!

Snack

Willows get their snacks from their cubby and then find their nametag to sit down

Book Looking

Willows spend time independently looking at books, flipping the pages front to back, and learning how a story progresses

Journals

Willows draw in their school journals and the teachers write their words

Project Meeting

Willows read a theme related book and then receive instructions for project

Project Time

Willows work on a curriculum based project that works to engage all developmental domains

They recall and follow multi-step instructions to complete an appropriate goal

Bathroom

Willows work on potty training, self help skills, patience, and of course personal care/hygiene

Outside

Outside time is central to our day as it creates a healthy environment for peer to peer interactions, gross motor activity, and most of all FUN!

Lunch

Willows enjoy their delicious homemade lunches...

And a pizza & cupcake party once a month!

Goodbye Circle

Willows review all they learned in the day, and sing/dance goodbye!

Dismissal

Willows gather their belongings, ride down in the elevator, line up on the white fence, and greet their loved ones!

Thank you!
